

Unbreakable Sacrifice

- 1 Read Luke 22:7-20
- 2 How does knowing Jesus' sacrifice was planned in advance change the way you view difficult or sacrificial moments in your own life?
- 3 Jesus deeply desired to share Passover with His disciples. What does that say about His heart for relationship? How personal is your relationship with Jesus right now--and what would it look like to make it more connected?
- 4 Jesus willingly gave His body and blood. How does this model challenge your current willingness to sacrifice for others? Who in your life needs you to go the extra mile this week--and what's one sacrificial step you can take?
- 5 What are some ways people (even believers) still try to earn God's love? What helps you walk in grace instead of guilt--and how can you encourage others to do the same?
- 6 Jesus anchored His sacrifice in future hope. What does it look like to live with hope in a world that often feels hopeless? Is there an area of your life where you need to speak hope instead of fear or discouragement?
