

CONNECTION GROUP QUESTIONS

PNEUMA - WEEK 4

What distractions are keeping you from the Holy Spirit's inspiration?

What does it tell us that the crowd was on Jesus side until He started speaking hard truth from Scripture?

In what specific ways can we “revel in others’ surprise?”

What is your experience with “haters” in your inspired moment? How did you react? What would you change about how you’ve handled it in the past?

Which category are you in? Missed a moment, preparing for a moment, currently in the moment? Share details with your group.
